## DESIGN

Ozan Sinan TIĞLIOĞLU

You are the center of everything. If you are at the center of all happenings, rumbles, life, chaos and love, then they exist. This product is an interpretation of a sophisticated thought, shape and form. It creates a private place and private space within the center of the office. It is the central place where good ideas are produced and agreements made. This product is the meeting place of an office. It creates a 'private and silent' meeting area within an open office. With this characteristic value it is like 'the voice of silence'.
